Ticketing Information

LOGAN AIRPORT: Due to the number of buses traveling through the airport, tickets are not sold at Logan Airport. If you do not have a ticket, the driver will board you without a ticket and have you disembark at the next stop to purchase your ticket.

TICKET AGENCIES: If a terminal is closed, passengers must either purchase a ticket in advance OR purchase a ticket online and have the QR code available for the driver to scan.

Check our website for holiday schedules and to sign up for weather and travel updates.

Finding the Bus at Logan Airport

Boston Express will stop and pick up at every terminal. Times noted are when the bus begins at Terminal A and then will continue to each terminal. You can find the boarding location downstairs, outside of baggage claim, by an orange sign that notes Scheduled Bus. Our bus will get as close to that sign as possible, depending on traffic. Please be outside waiting for the bus at the designated stop as the driver will not enter the terminal.
